VERY SPECIAL

We grew one acre of our odds and ends dahlias away from home this season. Many were our finest varieties. On the night of our first killing frost, some one moved the markers from 18 of the varieties and they could not be renamed. We will sell these at 20c per clump or \$5.00 per 100 divisions. These are sold under numbers from 500 to 518. You may get the name of your stock next fall 1936.
